

# Walk4Water

## Sunday 13 May 2012

WaterAid / Jim Holmes

### Sponsored Coastal Walk for WaterAid

A child dies every 20 seconds from disease related to unsafe water, inadequate sanitation and poor hygiene.

Lack of basic sanitation undermines the health of 2.5 billion people, that's two-fifths of the world's population.

**£15 can enable one person to access safe water, improved hygiene and sanitation.**

In support of  
**WaterAid**

WaterAid's mission is to transform lives by improving access to safe water, hygiene and sanitation in the world's poorest communities. We work with partners and influence decision-makers to maximise our impact.

**Please join us and help others** as we enjoy a walk along the Dorset coast. Choose from three distances: 16, 10 or 6 miles, all ending in Swanage. It's **FREE**, no charge at all.

Visit [www.wateraid-dorsetsupport.org](http://www.wateraid-dorsetsupport.org)

for lots more information, photos, maps

and **register online** by sending a message from the Contact Us page.
